

**A GIFT IN YOUR WILL CAN SHAPE  
A CHILD'S **FUTURE!****

**Salaam and thank you.**

**From the moment READ Foundation was founded, our supporters have underpinned our ability to provide quality education to some of the world's most disadvantaged children. In that time, millions of children around the world have been given hope, new opportunities and a future to look forward to.**

**We're not done.**

Our supporters understand that only through long-term commitment can we make a lasting difference for children living in some of the world's toughest places. That is why a gift in your will is as generous a gift as you can give. It is a powerful and enduring pledge to the next generation.

This lasting sadaqah is part of your legacy; it defines who you are and what you value most. With education being one of the most important tools in the fight against poverty, we can't think of a better gift to start your legacy.

A gift in your will towards education - a beautiful gift of Sadaqah Jariyah - has an immediate impact and brings hope for a brighter future.

# THE FUTURE YOU CAN HELP SHAPE

## Giving children a chance through quality education

Education can be the difference between a life with opportunity and one without. It can provide the key to unlocking the chain of disadvantage and open the door to better health and brighter prospects.

Our programs aim to prepare children for a successful start at school, provide teachers in places where children have been forced to flee their homes, and support young people who have disengaged with school to get back on track.

# YOUR WILL CAN BE THEIR FUTURE AND THEIR LEGACY

## First, what is a will?

A last Will and Testament is a legal declaration that we as individuals, and as Muslims must make in our lifetime, prior to departing this world. The Will and Testament outlines the beneficiaries of your assets, and directs who will manage your estate, seeing that your wishes have been fulfilled when you've passed.

The Prophet Mohammed (saw) said:

*"When a man dies, his deeds come to an end except for three things: Sadaqah Jariyah, knowledge which is beneficial, or a virtuous descendant who prays for him (the deceased)."* - Sahih Muslim

**Why do it? A gift in your will can transform lives.**

Including a lasting gift or sadaqah in your will for READ Foundation is an empowering way of creating long-lasting change for the most vulnerable children of the future, beyond your lifetime.

**READ Foundation will fulfil your charitable wishes**

Every single one of our sadaqah projects is designed to further our mission in ending the cycle of poverty through the power of education.

Your gift could sponsor an orphan, educate a child, fit out classrooms or better yet - construct an entire school!

Not only do gifts and bequests in wills help us in furthering our mission, they are the ultimate sadaqah- an investment in your akhirah that brings you closer to Allah (swt).
